NASA

NOTICE OF BY-ELECTION

NASA needs to fill a vacancy on the Executive Board through a by-election, held pursuant to Article 9.6 of the Bylaws. The Executive Officer position to be filled is:

- **Grievance Chair** (term ends July 2026)

More information can be found on the next page.

Each Executive Officer needs to be nominated by a minimum of 10 NASA members. Candidates & those nominating them must be card-carrying NASA members. Contact the NASA office or website at www.nasaunion.ca for a membership application form. Each nomination requires 10 supporting signatures.

ALL NOMINATIONS AND CANDIDATE BIOS

must be received by the NASA Office

nasa@nasaunion.ca

before 4:30 p.m. October 27, 2025.

Executive Board By-Election 2025

Subject to the bylaws and to directions given to it by a majority vote at any General Meeting properly called and constituted, the Executive Board has full control and management of the affairs of the Association, including financial affairs. The Executive Board is responsible for the general welfare of the membership as described in the Purpose of the Union, as found in the bylaws. The Executive Board is responsible to the membership for all actions taken in the name of the Union and is required to account for their actions at General Meetings.

Currently, Executive Board business meetings are scheduled for the first and third Wednesday of each month from 1- 4:30 pm. The Employer pays for release time, as per article 5.06 (a)(iv) of the Collective Agreement.

The following positions are vacant:

Grievance Chair (term ends July 2026)

A brief description of the duties of each position is provided below (for full description see <https://www.nasaunion.ca/bylaws>):

Grievance Chair	• chair the Grievance Committee • as required, ensure that the Association fulfills its duty of fair representation
----------------------------	---

Executive Board positions include attendance at General Meetings, Executive meetings, and meetings with other committees. Board members are also encouraged to take part in NASA social events & meetings as required.

Applications for Executive Board positions require ten supporting nominations. Candidates and those nominating them must be NASA members. Candidates will be informed when their nomination reaches the necessary ten supporting nominations. They may contact the NASA office via [email](#) to inquire into the status of their application.
